ALONE AGAIN

I woke up alone in my bed,
Thoughts all around my head.
I thought I'd never lose you,
But now I'm not that sure anymore.

What's going on with our friendship?
I don't know, what to think about us everyday.
It hurts me, it kills me, it drags me down.
What do you want me to feel, when you do this to me?
It hurts me, it kills me, it drags me down.
But you just don't care, you just don't care.
It hurts me, it kills me, it drags me down.
But you just don't care, you just don't care.

Rap:

Love me or hate me, but don't try to change me.
The ones that love me, never really leave me.
I really thought I got you. I really thought, you need me.
But now I know, the only one, who needs someone, is me.
My face smiles, my heart cries, my feelings dies, the pain flies
Right into me.
Why do you this to me?
Right into me.
